

GREENVILLE, N.C. — The Greenville-Pitt County Convention & Visitors Bureau (Visit Greenville, NC) is excited to announce the launch of our new [Pitt County Brew & 'Cue Trail](#). This tourism campaign aims to help promote Greenville-Pitt County's growing number of local craft breweries and legendary barbecue joints, and grow our reputation as a culinary destination.

To start your epic road trip to some of the best craft beer and barbecue in the nation, pick up your Pitt County Brew & 'Cue Trail Passport (pun intended) at the Greenville-Pitt County Convention & Visitors Bureau's Visitors Center located at 417 Cotanche Street Suite 100 in Greenville or at any of the Pit and Pint Stops featured on the trail. Start eating and drinking your way along the trail in any order you want, and go at your own pace collecting the official trail stamp from each location in your Passport until you complete either the Breweries or Barbecue Joints sections, or both (we recommend both, it's more fun that way!)
